

Dorney Village Hall

Information for Hirers of the Village Hall

Main Hall

Annex/Meeting Room

Dorney Village Hall is a non-profit making charity administered by a management committee of local residents.

The amenities of the Village Hall are maintained on a voluntary basis and each event is “self-managed” by the Hirer. There is no resident caretaker, but every endeavour is made to ensure that all the facilities are available and working and that the Village Hall is in good order when you come to use it.

If this should not be so, please advise the Booking Secretary immediately and we will do our best to rectify any problems.

Hirers are asked to help us by leaving the Village Hall in a clean and tidy condition.

They are also asked to remember that we rely upon the goodwill of local residents and to limit any excessive noise and possible nuisance when entering, using or leaving the Village Hall.

We hope that the information provided below will help to ensure that you have a successful event.

We will have sent you a four-digit Key Safe Access Code in order for you to get the keys (front door and windows) to the Village Hall from the Key Safe, which is on the right-hand side of the kitchen door of the Village Hall. If you haven't received your personal Key Safe Access Code, please call 07802 365448 or email enquiries@dorneyvillagehall.com

Turn the numbers to set the four-digit code we will provide you with before your event and open the door by turning the knob at the top clockwise.

Take the keys out and close the door.

Please close the safe immediately after the keys have been removed and do not leave it hanging open for the duration of the booking.

Immediately after your event return the keys per the above instructions - be doubly sure that the safe door is closed with the keys inside.

Entrance Gate (situated at the beginning of the driveway up to the Hall)

 - Or to:
 - Report a minor traffic collision

- When to use it
 - You should use the NHS 111 service if you urgently need medical help or advice but it's not a life-threatening situation.
